MAGNETICS
BUSINESS & TECHNOLOGY

www.MagneticsMag.com

About

Magnetics Business & Technology is an integrated media platform (magazine, website, e-newsletter) for technical professionals who use magnetic materials and technologies in their products and applications, and for professionals in the magnetics industry. The magazine is published every other month (six times yearly) in both print and digital format, the e-newsletter is published two times per month, the website is available 24x7 and updated daily.

Readers & Content

Readers are OEM design engineers and technical professionals, product and application managers, and management executives who are involved in magnets, magnetic materials, magnetic products & components and electromagnetic technologies. The content includes regular editorial features, columns and departments, new products and industry news, plus an annual industry-wide resource guide to magnetics companies and industry suppliers worldwide. Major industries served include automotive, aerospace, aviation, electrical products, electronics, medical, defense, R&D, industrial & manufacturing equipment as well as manufacturers of motors, generators, transformers.

Circulation

Magnetics media serves a large audience globally including distribution to attendees at key trade shows and conferences, enabling advertisers to reach the entire magnetics industry and leading technical professionals involved in magnetics worldwide. The newsletter is circulated to 25,000+ readers worldwide. Each issue of the magazine is circulated to 30,000+ recipients worldwide via a combination of digital, mail, online download and event delivery. Certain issues of the magazine, such as the Annual Resource Guide, have bonus distributions reaching a total audience of 150,000+.

The Advertisers

- Suppliers of magnetic materials, components & assemblies
- Suppliers of electromagnetic test equipment, design software and testing services
- Suppliers of equipment, materials, supplies and services for magnetics manufacturing
